SCHOOLS HERE HAVE RECORD ENROLLMENT

Gettysburg's public schools opened today with about 2,650 pupils enrolled for a new all-time high.

Although final figures were not available this afternoon, the first day enrollment in the six elementary grades is about 1,354, including 230 youngsters who are enrolled in the first grade.

At the high school there are approximately 1,300 pupils as compared with an enrollment of about 1,170 last year, an increase of approximately 130.

Full-Day Session

Teachers, who reported Monday for a pre-school session, met with their classes for a full-day schedule today.

One faculty change was announced Monday at the high school where John P. "Jack" Cessna, Baltimore St., has submitted his resignation as a teacher of science and mathematics, a position he has filled for about a dozen years. He is a graduate of the high school and Gettysburg College where he finished in 1940.

The enrollment by classes in the high school as of Monday with today's additions and losses not yet tabulated included: 148 seniors, 157 juniors, 191 sophomores, 258 ninth graders, 277 eighth graders and 266 seventh graders.

In the grade schools there are 576 boys and girls at Keefeauver School, 555 at the Eisenhower School and 223 at Meade School. Those figures total 1,354 and compare with 1,344 on the opening day of last year.

The first holiday of the current school year comes next Monday, Labor Day.

APPLEMEN OF 4 STATES HAVE PRICE SCALE

Following a meeting last Friday at Kearneysville, W. Va., the Eastern Fruit Marketing Co-operative, Inc., of Pennsylvania, Maryland, Virginia and West Virginia has come up with a statement setting forth a "sound, practical price scale for processing apples" that would "provide a fair profit" for both the apple growers and the processors.

Adams County fruitmen are members of the four-state cooperative and attended Friday's meeting. William M. Lott, Gardner R. D., is president of the Pennsylvania unit of the area organization.

The growers' organization also claims that the price scale they propose for processing apples this fall would "permit retail pricing at a level on which the public will consume the pack before the next crop is ready for harvest" and will help maintain the proper necessary balance between sales to fresh and to processing channels for the health of the industry hinges on this balance."

Hear D. A. Official

The cooperative says: "If Eastern were bargaining this season with processors these are the prices Eastern would ask for U. S. No. One canners, 24-1/2 and U. S. No. 100 pounds and for other varieties, \$3.35 per hundred. Prices for other sizes and grades would be in line with the usual yield differentials and processors' special needs."

Processors have not yet announced their prices for apples this fall, the growers said.

In addition to growers, a speaker at last Friday's session was

Descendant Of James Gettys Here

William D. Getty, who believes he is a great-great-grandson of James Gettys, founder of Gettysburg, was in Gettysburg today with his family and was seeking genealogical information on the Gettys family.

A native of Pittsburgh, Getty now resides in Pasadena, Calif. He is a son of the late Vincent Getty, who was a son of Adams Getty, who is believed to have been a grandson of James Gettys, the man who laid out Gettysburg.

Lumumba Faces Challenge Of Battling Tribal Force

By ADRIAN PORTER

ELISABETHVILLE, the Congo (AP) — Congo Premier Patrice Lumumba faced a new challenge today in Kasai province, where his soldiers were reported battling tribal warriors backing the secessionist move there.

U.N. forces meanwhile planned to take over control today of Belgium's big Kamina military base in Katanga province. The last of the Belgian combat troops were pulling out for home or the neighboring trusteeship territory of Ruanda-Urundi, but several hundred Belgian army maintenance men were to remain until Belgian equipment is removed.

Under an agreement between the U.N. force and the Belgian government, only U.N. troops will be allowed to use Kamina's 100-million-dollar worth of facilities, including one of the biggest runways in Africa. The idea is to keep Lumumba's troops from using the base as an invasion point.

R. C. PETERS, 37 WORLD WAR II VETERAN, DIES

Rodney C. Peters, 37, who fought in both the Atlantic and Pacific theaters as a member of the U. S. Army in World War II, died Monday night at 11:39 o'clock at the Warner Hospital, where he had been admitted as a patient Sunday afternoon.

A resident of Heidlersburg, where he lived with a brother-in-law and sister, Mr. and Mrs. Robert Heltbride, he complained of feeling ill Saturday evening and visited the office of a local physician where he was given some medication. Sunday he became increasingly ill and was removed to the hospital.

Plans have been completed for an autopsy to be conducted today by Dr. C. Harold Johnson, pathologist at the hospital, to determine the cause of death.

Service Thursday

An employee of the Littlestown Pattern Works, he was a graduate of Biglerville High School with the class of 1939, and a member of the Heidlersburg United Brethren Church, of American Legion Post 14 of Hanover; the Richard J. Gross Post 8896 of the Veterans of Foreign Wars of East Berlin and the Hanover Moose lodge.

Surviving are four sisters: Mrs. Arthur Kuntz, Bendersville; Miss Janet Peters, Huntingdon, Ind.; Mrs. Norman Zepp, New Oxford R. 2, and the sister with whom he resided, Mrs. Heltbride, Heidlersburg; a step mother, Mrs. Alta Peters, Gettysburg R. 3, and a half brother, Lynn Peters, Gettysburg R. 3. He was a son of the late Zeal R. and Ethel M. (Cline) Peters and was a native of Adams County.

Funeral services Thursday afternoon at 2 o'clock from the Dugan Funeral Home, Bendersville, with the Rev. Arbe Dorsey officiating. Interment in the Biglerville Cemetery. Friends may call at the funeral home in Bendersville Wednesday evening after 7 o'clock.

CITES ROTARY EFFORTS FOR WORLD PEACE

Rotary clubs in 116 nations are "united in an endeavor to promote understanding, good will and peace throughout the world," governor of District 739 of Rotary International, told the local Rotarians at their annual "club assembly" Monday evening at the Hotel Gettysburg.

"Activities of the more than 10,000 Rotary Clubs throughout the world are designed to promote ideals of service to their fellow man—and a principal service to all mankind is to promote peace for the world," Schmidt said.

"In addition Rotary International has awarded grants of more than \$3,300,000 in the last 13 years through its program of student fellowships which enable outstanding college graduates to study for one year in countries other than their own as Rotary ambassadors."

\$89,443 IN BONDS

The Treasury Department has announced that Adams Countians in July bought \$64,890 worth of saving bonds, compared to \$89,443 last year. Wilbur A. Bankert, Littlestown, is county chairman of the drive. The Treasury announcement said that Pennsylvanians invested \$32,517,610 during July compared to \$34,438,361 for last year.

Monday Night Is Summer's Hottest

Monday night was the hottest here so far this year after the temperature had climbed into the 90's for the third consecutive day here on Monday afternoon. Monday's high was 92, equalling the maximum reading for Sunday. On Saturday the high was 90 degrees.

Continued hot weather is forecast for Wednesday.

The "low" reading here early this morning was 73 degrees. Sunday night's low was 71 degrees, equalling the previous "hottest night" mark for the summer.

The current heat wave is the hottest and already the longest encountered here this summer.

LIONS' BENEFIT FOOTBALL TILT ON OCTOBER 20

Gettysburg Lions Monday evening voted two donations from their charity fund and announced the date for the principal fund-raising event of the year to replace the fund—a benefit football game between Gettysburg and Temple Freshman teams on the Gettysburg High School gridiron.

The charity fund benefit event will be held Thursday evening, October 20, and tickets for the event will go on sale soon by Lions.

The clubmen announced a donation of \$100 to the Warner Hospital toward the modernization of the room the Lions have sponsored there for a number of years.

Asks Volunteer Help

The Lions also approved a \$20 payment from their charity fund for psychiatric treatment for a retarded child in this county.

Vice President David W. Bloser, who presided in the absence of Richard A. Folkenroth, asked Gordon Webster and Kenneth Dangler to represent the club at a community meeting at 8 p.m. on September 8 at the Moose home when preparations will be launched for the annual Halloween parade here.

Leo McDermitt, the club's representative to the Little League, asked for volunteer help from the Lions in the work of constructing dugouts and bleachers at the Little League field at the Recreation Park. He said the work will begin this evening and is expected to continue throughout September.

The Lions met at the VFW home on E. Middle St. The club will not meet next Monday, Labor Day.

To Hold Calcutta Stag On Thursday

The annual Calcutta stag party of the Gettysburg Country Club will be held Thursday evening at 8 o'clock in the club house. There will be a buffet lunch.

All male members of the club are urged to be present as final arrangements for the club's golf championship matches will be made.

The championship play will begin next Sunday, continue on Labor Day and again the following weekend.

LOCAL MAN IS FOUND GUILTY IN COURT HERE

Samuel S. Clingan, 62 Breckenridge St., was found guilty Monday afternoon by an Adams County jury on a charge of driving while under the influence of intoxicants. The jury returned its verdict at 4:52 after 27 minutes' deliberation.

The court immediately named two more juries to hear the last two trials scheduled for the current term of court. They will be on charges of driving while under the influence brought against Harry Albert Lear, Chambersburg St., and Raymond W. Kopp, Hanover.

Clingan was accused by borough police with driving while under the influence after police found him asleep over the wheel of his car in a parking lot off Railroad St.

"Mistaken Identity" Claimed

Clingan claimed in his defense that he was the victim of a mistake in identity. He admitted he had been found sleeping over the wheel of his car and was willing to admit that the police may have seen a car similar to his go around the square and that an Emmitsburg R. D. driver may have followed a car which wavered all over the road and drove another auto into the ditch. He also admitted that he had been in Emmitsburg and had had "four or five bottles of beer" in 4½ hours but testified he had driven home to Gettysburg more than an hour before the car sought by police arrived in town and said he had been sleeping for about an hour before being awakened. Police testified they had seen a car go around the square, were notified seconds later by another car following the first that the driver of the first seemed intoxicated and followed immediately afterward, coming upon Clingan's parked vehicle about a minute after being told of the improper driving.

The Clingan trial before Judge Dale Shughart started in the basement court room at the court house, then moved upstairs to the air conditioned-sound proofed main court room when the Elmo Smith jury left the court house to view an automobile prominent in that case.

CHEST DRIVE OPENS OCT. 3

The 1960 Community Chest drive will be conducted from October 3 through October 18 it was decided at a meeting of Chest directors Monday night. These dates are in keeping with the national drive, it was revealed. Door-to-door canvassing will again be used. Pledge cards will also be used.

Campaign Chairman Paul B. Fox presided at the meeting held at the First National Bank. Others attending were Parker Cunningham, Ralph K. Will, Dean Seymour Dunn, Ronald Staub and Mrs. Luella Happersette.

Will, in charge of the display and decorations, said that his committee will swing into action early next month and place posters and flags about town. He added that the window displays will be arranged September 26 or 27. The committee decided to paint and install the red feather thermometer in Lincoln Square to show the day-by-day progress of the Campaign. After much discussion it was decided not to mail out literature this year. It was decided instead to stress radio, newspaper, movies and some TV as a means of reaching the public this year.

Local Furniture Deal Is Cancelled

Sale of the part ownership of the Gettysburg Furniture Center to Kenneth F. Whittington, Chambersburg, by Glenn L. Bream, W. Broadway, was called off today.

In announcing the cancellation of the business transaction Mr. Bream said Mr. Whittington "suffered a heart attack two days ago which precludes his conducting business ventures for some time and as a result has asked that the business deal be cancelled. In view of his condition I feel it proper and considerate to cancel the agreement."

"Wallace Kutz, who has managed the business for the last eight months will continue in his managerial capacity," Mr. Bream said.

BAILED FOR COURT

Elmo Smith Testifies He Never Saw 16-Yr.-Old Girl He Is Accused Of Killing

RAYMOND KOPP IS FINED \$100 SENT TO JAIL

Trial of Harry Albert Lear, 213 Chambersburg St., on a charge of driving while under the influence of intoxicants, began in Adams county court this morning.

The case is the last for trial during the current term. Monday evening two cases were scheduled for today, but when court convened this morning in Court Room No. 2 with Judge Dale Shughart presiding, Raymond W. Kopp, Hanover, charged with driving while under the influence, entered a plea of guilty. The jury scheduled to hear his trial had been selected Monday evening and was seated when Kopp entered the plea.

Fined And Jailed

Kopp was sentenced to pay a fine of \$100 and the costs and to spend 75 days in jail. He had previously been sentenced on similar charges in 1950 and 1955, the court was told.

Threats by Lear to "kill you cops" were told to the jury by State Policeman Edwin P. Karr this morning. But the policeman said "I didn't pay any attention to it, I heard it before."

Karr said he and another officer drove into the Atlantic truck stop, six miles south of here on the Emmitsburg Rd. at 11:45 o'clock on the evening of August 6. Karr said he noticed Lear staggering to his car, and decided to "check this out." While the police car was turning, Lear drove, without lights to the highway, turned on his lights and "took off at a high rate of speed."

Lives Threatened

Karr said the police found Lear driving "in excess of 60 miles an hour" and his vehicle was "veering from one side of the road to another." The officer "hit the siren" and halted Lear's vehicle at the intersection of the Emmitsburg Rd. and the Natural Dam road.

Karr said clear was "belligerent" (Continued On Page 3)

ERVIN BROUGH DIES MONDAY

Ervin I. Brough, 89, Latimore Twp., York Springs R. 1, died at the Polyclinic Hospital, Harrisburg, at 7:30 o'clock Monday evening.

The deceased was born in Latimore Twp. where he was a farmer all his life. He was a member of the Chestnut Grove Lutheran Church, a member of the Order of Independent Americans and of the Maccabees.

He was a son of the late William E. and Lydia Trostle Brough, and is survived by nieces and nephews.

Funeral services will be held Thursday at 2 p.m. in the Chestnut Grove Lutheran Church where the body will lie in state an hour before the services. The Rev. Norman L. Bortner and the Rev. Hugo Schoreder Jr., will officiate. Burial will be in the Chestnut Grove Cemetery.

2 Defectors Have Valuable Cryptographic Information

WASHINGTON (AP) — Two missing employees of the National Security Agency, presumed to have defected to the Soviet Union, were reported today to have taken "valuable cryptographic information" with them.

Rep. John W. McCormack of Massachusetts, the House Democratic leader, said he had learned this from usually reliable sources, and declared that the loss of cryptographic information "is far more serious than any official has publicly admitted."

McCormack made the statements in a letter to Rep. Francis E. Walter (D-Pa.), chairman of the House Committee on Un-American Activities. He asked that the committee make an investigation of the case of Bernon F. Mitchell and William N. Martin who disappeared in June.

Mitchell, 31, Eureka, Calif., Martin, 29, Ellensburg, Wash., had been employed since 1957 as mathematical analysts at the National Security Agency at nearby Ft. Meade, Md.

The supersecret defense unit intercepts radio signals and works on communications intelligence. Mathematics is one tool used in breaking secret codes.

Elmo Smith testified today he never saw Maryann Mitchell, the girl he is accused of murdering. With his face showing some signs of strain, Smith said under examination by his lawyer that except for pictures, he never had seen the 16-year-old Philadelphia schoolgirl.

He apparently referred to police pictures taken after Maryann's body was found in a Whitmarsh Township gully last Dec. 30.

Smith testified he never left the Nor

2 MEN AND BOY HELD IN THEFT

Two New Oxford R. 2 men and a 14-year-old boy were taken into custody by state police this morning, charged with the larceny of a \$500 air tank. They had sold the tank as junk for \$15.28.

Placed in the county jail in default of bail following arraignment before Justice of the Peace Robert P. Snyder were John L. Slothover, 25, and Gerald Eugene Fogle, 22, both of New Oxford R. 2. The youth will be brought before juvenile authorities.

State police said the two men and the boy Monday went to the property of C. A. Wills in Greenstone and loaded the air tank, which is four feet in circumference and 10 feet high, onto a pickup truck.

Tuesday they sold the tank to a Hanover junk yard for \$15.28.

Police said the junk yard had not yet cut the tank for salvage and it will be returned intact to Mr. Wills.

The officers said the two men and boy were looking for junk to sell and Fogle, who at one time had resided in the Greenstone area, recalled having seen the large metal tank.

Scooter Boy Visits Myers

James Myers, National Park superintendent, today received David Rozek, a 15-year-old East Kenmore High School student who has been touring the United States on a motor scooter.

The well-tanned youth has visited Yellowstone National Park, Mesaverde, Colo., Mammoth Caves, Grand Canyon, Blue Ridge Parkway, Washington, D. C., and the Gettysburg Battlefield this morning.

He started out with \$135 and told Supt. Myers he has only \$3 left, but this should take him to his home, he added, at 2056 Parker Blvd., Towanda, N. Y.

David, who is a Boy Scout, experienced quite a fright at Yellowstone when a bear roused him from his sleep to enjoy a box of prunes. He sleeps in a sleeping bag and tent.

The trip will cover about 6,600 miles.

TUBULAR LOOK REQUIRED BY NEW FASHIONS

By NADEANE WALKER

PARIS (AP)—Here's the new Paris silhouette. Now where's that diet list?

You've got to look tubular to be a la mode, as shown by the season's first fashion photos from France, released for publication today.

Curves are out, and the flat-as-a-board figure is in. Worse, you can't count on stiff foundations to conceal anything. They've put the puffed skirt in mothballs. The new cut is usually bias, and the materials are almost always drapy, so even when the outline is loose, it takes a skinny figure to wear it.

Almost Funereal

Daytime colors are so dark as to be almost funereal. You can take your pick of black, brown, prune purple or steel grey.

The girls with good legs still have the advantage, for hemlines cover the knees with just an inch or two to spare.

Probably on purpose, the designers have made it tough for the do-it-yourself brigades. With the new bias drapes, everything depends on the cut and the hang of the thing. Copying will be a tricky business.

Dipped Into 1920's

But if you've always longed to look like a flapper, or a clinging vine, here's your chance, sanctioned by high fashion. Most of the designers dipped liberally into the designs of the late 1920s and early 1930s for a new silhouette to usher in the 1960s.

The general trends include wraparound envelope dresses, mid-high suit jackets, back-buttoning, high ring collars, fur trimmings, lightly flared or bag-bottomed skirts, and high-crowned shoes or helmets, worn with a single bob and dark eye makeup.

To nobody's surprise, Dior was different. Many of designer Yves Saint-Laurent's creations showed half the kneecaps. His little lemon of a skirt, starting at a mid-thigh and ending at mid-knee, was tacked on to a long torso tube or mid-thigh top which forgot all about bustlines and waistlines. In the evening version the top was a loosely flaring, often transparent trapeze, worn mid-thigh length over a sheath skirt.

HOLD SUSPECT IN BOMBINGS THAT KILLED PREMIER AND 10

By SPIRO ELISSA

AMMAN, Jordan (AP)—Investigators said today they believed two missing press messengers who apparently escaped to Syria planted the bombs that killed Premier Hazza Majali. One suspect is being held.

One of the missing messengers, Kamal Shammout, 22, was employed by Egypt's Middle East News Agency before its office here was closed in 1957 in the long feud between Jordan and President Gamal Abdel Nasser's United Arab Republic of Egypt and Syria.

Young King Hussein, apparently in firm control of the nation despite the assassination Monday of Majali and 10 other persons, named Bahjat el Talhouni, chief of the Cabinet, as the head of a new government. He approved Talhouni's new 11-man government, including seven holdovers from the Majali Cabinet.

A special committee appointed to investigate the bombings, which wounded 41 other persons, held a messenger boy at the press bureau for questioning.

The bureau occupies part of the building housing the Majali's office. The bombs were planted in Majali's office and in the office of the director of the press bureau.

Shammout and his colleague, Shaker Dabbas, were employed at the press bureau. They disappeared a few hours before the bombings went off.

Amman returned to an outwardly normal appearance. The curfew was lifted. Airports were reopened, and business resumed as usual.

Civilian Payroll Of U. S. Up In '60

WASHINGTON (AP)—The government's civilian payroll, already more than a billion dollars a month, rose another 307 million dollars for the year ended June 30.

Sen. Harry F. Byrd (D-Va.), noting that pay increases for government workers effective July 1 were not included, predicted another climb in total payrolls during the current year.

A report of the Senate-House Committee on Reduction of Non-essential Federal Expenditures, which Byrd heads, said last year's civilian payroll totaled \$12,637,000,000, not counting 268 million paid to foreign nationals employed in overseas installations. The year's total included an estimated 64 million dollars paid during the year to temporary census workers.

The seat of government of the United States was moved to the District of Columbia on Dec. 1, 1800.

APPLEMEN OF

Cy Smith, director of the Fruit and Vegetable Marketing Division of the U. S. Department of Agriculture.

Season Is Favorable

The growers' statement points out that this season is favorable to the operation of a price schedule they propose. "The national crop of apples is more than 12 million bushels smaller than last year's according to U. S. Department of Agriculture estimates, and eight million of this 12 million decrease is in the major processing states which includes the Appalachian area, New York and California.

Quality Is Superior

The growers' statement continues: "Markets are not clogged with the remains of the previous year's crop as they were this time last season. Price levels for fresh channels now are accordingly much better than a year ago. With the shorter supply this should continue.

"The outlook is favorable as to employment and wages, as to competition from other foods, both fresh and processed, and as to increasing population. There is higher confidence among growers, processors and buyers. Quality over the East is superior.

"With the short crop concentrated, as it is in the main processing belts, growers' cost of production, handling and delivery to processors will be high and will average, it seems, \$3 per 100 pounds, delivered to processors, which is \$1.35 for a 45-pound bushel.

"Profit Seems Fair"

"A gross profit to the grower of 30 cents per 100 lbs. or 13½ cents per bushel, seems fair. That means a \$3.30 gross return per hundredweight. Since fully 10 per cent of the average crop delivered to processors does not grade U.S. 1 Canners 2½ inches and up, and must take a much lower figure or waste, prices for the top grade require approximately 10 per cent more than this \$3.30 base or \$3.60 per hundred as the average for the top grade.

"Historically there has been a 50-cent differential between the processors' prices for Yorks and for 'other' varieties when prices are over \$3 per hundred. It is high time that Golden Delicious, freely used for 'Slices', preferred for frozen and a superior sauce variety, be put in the same category as Yorks. Processors of our belt should use about as many 'other varieties' as Yorks and Golden Delicious this year. Therefore to maintain the historic 50-cent differential and secure a fair average return to growers, we can subtract 25 cents from the average price to arrive at a fair figure for the 'other varieties' and add 25 cents to do the same for Yorks and Golden Delicious.

"California growers through their association make this scale look reasonable." A California price scale then is quoted which shows U.S. No. 1s, 2½ inches and up, no variety listed, are to bring \$3.65 per hundredweight.

Analyze Market Outlook

"The difference between last season's processor prices in Appalachia (\$2 and \$2.25 mostly) and the suggested prices for this season (\$3.35 and \$3.85) include indicates a raise in retail prices for applesauce of between 2c and 3c per 303 can; from an average of around 12½c to about 15c per can; or about 25 to 30 cents per dozen 303's over the sauce prices that prevailed over most of this season. But 10c of this price increase has already been added; from around \$1.25 to \$1.35; and another dime raise seems imminent. It is not unreasonable to feel that processors should be able to get prices up another 10c per dozen, if the pack isn't too large.

"There is ample evidence from past experience that, given a favorable background, a reasonable size sauce pack can be moved satisfactorily at \$1.60 or more per dozen. The background situation averages to be favorable this season. The combined packs of all fruits and vegetables this season is smaller than last year, and prices should average somewhat higher, says USDA.

Short Crop Is Answer

"While the pack has doubled in recent years, prices for sauce the last three seasons have averaged very low, with consequent loss prices to growers. Growers must recognize that this should not and cannot continue. It has resulted in too-large carry-overs, of both sauce and 'slices.' These carry-overs have been a main factor in keeping down prices for the processed products — and hence prices paid to growers. To reduce this excessive carry-over to normal is essential. To do this, one million bushels less of apples should be made into sauce, nationally; and 750,000 bushels less made into 'slices'; for a total U. S. reduction of 1,750,000 bushels.

"The short crop, especially in the processing belts, has arranged this reduction—if growers act sensibly—if growers restore the balance between 'fresh' and processing outlets.

Prison Sentence Given To Countian

One state prison term and six county jail sentences were imposed on the York County courts Monday with two fines meted out in the disposition of criminal cases.

A Hanover area trio who had pleaded guilty to a \$637 burglary of a Hanover building last May 14 drew the stiffest terms as follows: John L. Gebhart, 23, New Oxford R. 1, one to two years in the state penitentiary; Robert L. Topper, 19, Hanover, nine months in the county jail, and Richard A. Hertz, 19, Hanover R. 4, six months in the county jail.

Both Hertz and Gebhart had previously received heavy prison terms from Judge W. C. Sheely for their participation in another burglary. They will serve their terms in York at the expiration of the other sentences.

"The volume of 'other' varieties is the critical factor. If the processors get most of the Yorks, and the dusty Golden Delicious, they still would need more. By moving into 'fresh' the best of the dual-purpose varieties that are high in quality, we keep a solid place in the markets; get prices that look to be very good, and take from the processor the burden of handling a greater volume, so that he can reduce his inventory. What could be simpler, or more beneficial to all? We urge again—Use the larger, more elastic, more profitable fresh-fruit markets for all possible high-quality apples."

and loud and had an odor of alcohol on his breath. He kept saying "You cops are picking on me. . . I'm gonna kill you cops one time or another."

The trooper said that when they took Lear to the home of Justice of the Peace John Whitman to bring the "drunken driving" charge against him, Lear said, of Justice Whitman, I hate that man. I'm gonna kill him, too."

Has Wooden Leg

Asked whether he took Lear before a physician for a test of intoxication, Trooper Karr said "if there is any question I always take them before a doctor, but I was certain in my own mind that Lear was intoxicated."

Asked if the officer knew Lear has a partial wooden leg, Karr responded, "I know it and I took that into consideration when I saw him staggering."

The jury hearing the case includes: G. Robert Dietrich, Bendersville; Luther Jacobs, Gettysburg R. 3; Elmer J. Dillman, W. Confederate Ave.; John Dear-dorff Jr., Biglerville R. 1; Edward Millhimes, New Oxford R. 1; Wilbur Weimer, 349 Washington St.; Doris K. Tuckey, Biglerville R. 1; Mrs. Audrey Moul, Hampton; Harry Stambaugh, Abbottstown; Mrs. Mary McClell, Fairfield; Mrs. Elizabeth Weikert, Gettysburg R. 2, and Melvin Coleman, Gettysburg R. 3.

The jury named for the Lear trial included: Oscar Cullison, 27 Breckenridge St.; Mrs. Martha Hoffman, Arendtsville; Hugh Linah, Gettysburg R. 4; Doris Jean Stock, New Oxford; Mrs. Hazel Hartlaub, Gettysburg R. 3; Roy Peters, Aspers R. 1; Miss Anna J. Racial Violence Spreads In South; Negro Killed

By THE ASSOCIATED PRESS

Violence flared early today despite emergency police powers ordered to curb the racial outbreaks that have plagued Jacksonville, Fla., with fire bombings and shootings.

The first death of the current trouble came when policemen returned gunfire at a car carrying two Negroes which crashed into a utility pole.

In Buford, Ga., 25 miles northeast of Atlanta, a rock-throwing racial fight Monday night brought the arrest of two dozen white youths and about an equal number of Negroes.

The outbreaks came as New Orleans looked toward U.S. Dist. Judge J. Skelly Wright for a decision on a plea for delay in his orders to integrate the city's first grades and as Delaware school authorities were under court order to speed up integration of their schools.

"Raise Hell" Ride

The Negro man killed in Jacksonville was not identified. Police officers who fired at the car in which he was riding said he had not been shot. A companion, identified as Willie Green, 44, of Jacksonville, said he did not know the dead man. They met in a bar and decided to ride around and "raise hell," Green told police.

An attendant at a service station fired upon by the Negroes narrowly escaped death. A bullet hit a pistol in his pocket and then punctured a can of oil in the pocket.

Fire bombs — kerosene-filled glass bottles — were thrown at a number of stores, causing damage estimated at \$4,815. Several failed to explode or burned harmlessly outside the establishments.

Emergency Police Powers

The new outbreaks in Jacksonville came despite emergency police powers invoked by Mayor Hayden Burns. He banned street gatherings of more than four persons and unnecessary auto traffic following fights and vandalism over the weekend.

Burns refused official sanction to a request from the Jacksonville Ministerial Alliance for a biracial committee to iron out the troubles. He said such committees in

other towns have resulted in integration.

The Georgia incident began when Negroes reportedly hurled stones at cars occupied by white youths on the main street of the small community. The white youths chased the Negroes into the Negro section and continued the battle until police arrived.

WINS MEDAL FOR GERMANY

ROME (AP)—Golden-haired Ingrid Kramer of Germany today won her country's third gold medal of the Olympic Games, scoring a diving double with a first place in the women's platform competition.

The 17-year-old blonde from Dresden, East Germany, personally accounted for the first German sweep of two gold medals in Olympic history. She added the 10-meter (33-foot) platform title to the 3-meter springboard championship she won last Saturday.

She totaled 91.28 points with a brilliant effort in the final of her two dives today.

Paula Jean Pope, 25, Santa Clara, Calif., housewife, was second with 88.94.

She was favored in her third, and possibly last, Olympics. She finished third in the event at the Melbourne Olympics.

The silver medal Mrs. Pope captured today was her second of the 17th Olympic Games. She also was second to Miss Kramer off the springboard.

Russia's Ninel Krutova finished third for the bronze medal with 86.99 points.

Mrs. Juno Irwin of Glendale, Calif., in her fourth and probably last Olympics, was fourth with 83.59.

TORONTO (AP)—Three years ago Alice Wilde's husband was killed when the fire truck he was driving crashed.

Monday her second husband, also a fireman, died at the same suburban Scarborough intersection when a fire truck and a gravel truck collided.

TANKER RAMS INTO TUGBOAT

NEW YORK (AP)—A tugboat responding to a call for aid from a tanker in treacherous Hell Gate currents was rammed by a second tanker this morning. The tug was forced to beach nearby.

Five of the tug's crew were taken off by police launches and three others swam ashore. All were reported in good condition.

The tanker which did the ramming steamed away from the scene with police launches in pursuit. However, the tanker captain soon brought his vessel to a halt and explained he could not stop in the Hell Gate currents lest he endanger the ship.

Hell gate is a spot between Manhattan and Queens where the East River and Long Island sound meet. Though it is about 200 yards wide, with a deep channel, tidal movement often creates vicious currents and whirlpools, making navigation tricky for big ships.

Today's mishap, occurring shortly before 8 a.m. in sunny weather, was the third in New York port waters in slightly more than 24 hours.

Ten From Area Enter Air Force

Ten boys from the Gettysburg area enlisted in the U. S. Air Force during August, according to an announcement by Recruiting Officer T/Sgt. James H. Wyland Sr., Chambersburg.

They were Charles D. Sheely, 17; Barry C. Bixler, 17; Robert E. Althoff, 17; Ronald V. Sanders, 17; Richard R. Golden, 18; Robert L. Grosholz, 17; James H. Snead, 18; Martin L. Olson, 18, all of Gettysburg; Richard I. Dillon, 18, Orrtanna, and Lawrence E. Schmick, 18, Aspers.

Sgt. Wyland announced he is in Gettysburg every Tuesday at 1 p.m. in the post office.

Out Of The Past
From the Files of the Star and Sentinel and The Gettysburg Times
FIFTY YEARS AGO
Gypsies Leave For Grangers:
The band of gypsies which had spent the past week here have left to ply their peculiar trade at the Grangers picnic at Williams Grove. They will return later, however, to stay here for several more weeks. The general alarm over their presence here will now subside for a while only to be resumed upon their return. Since the band threatened to get back all the money they had to pay in fine and license hundreds of Gettysburg people have been alarmed for fear they would be among those whom the gypsies would single out as victims. There has been a general locking of doors and fastening of windows ever since it became known that the nomads had set their minds to get out of town all they had left here and it is said that people even hesitate to leave the front portions of their homes without first closing the doors.

Matinee On September 10: At a meeting of the Gettysburg Driving club held on Monday evening it was decided among other things to hold the first matinee on the track west of town on Saturday, September 10. Special efforts are being made to make this meet an exceptional success.

Farmer Falls Dead At Barn:
David Rohrbach, a widely known resident of Mount Joy township, was found dead at the barn on Sunday morning by his son, Clayton, death evidently having been caused by heart failure.
Mr. Rohrbach had gone to the barn before breakfast and when he stayed longer than usual his son went to tell him that the morning meal was ready. The body of his father was soon found near the barn and an examination showed that death had occurred a short time before. He was aged about 55 years.

Putting Forth Special Efforts:
Fearing that under ordinary conditions Gettysburg would not be able to accommodate the thousands of visitors who are expected for the monument dedication on September 27, a request has been sent by the Monument Commission to the local Retail Merchants Association to help to provide entertainment for the visitors.
General Huidekoper, chairman of the commission, on the occasion of a recent visit here, stated that free transportation to the dedication of the Pennsylvania monument would be issued by his commission for about 4,000 veterans of Pennsylvania regiments who were engaged in the battle of Gettysburg. He estimated that those having free transportation will be accompanied by members of their families to the number of 2,000. Most of these are expected to arrive in Gettysburg on Saturday, Sept. 24, and remain until after the 27th.

After an illness of nine months, suffering with dropsy, James S. Stonesifer died at his home on Sixth St., McSherrystown, at 6:15

Today's Talk
THE COPYIST
Originality always has a sort of snap to it—something refreshing—like the coming of a cool breeze in the midst of dull deadening heat.
The man with original ideas, who has something new to present, is always in demand. But the copyist, who wants him?
And yet our whole civilization is interwoven with the idea that the majority of our tasks must be performed in conformity to what those before us have left us in example.
Sometime a premium is going to be put on the one who will stand out and express himself as he honestly thinks and feels. He is going to be applauded right on the spot for his originality and enterprise.
Personality is everything. But no copyist ever had it. The boy who "causes the most trouble," in school and at home is usually far from being the "bad boy" he is represented to be. As a rule, he is the one who needs the most encouragement and kindly care. He'll be somebody. Help him along.
The great painter is he who paints what he sees—not what someone else has already seen for him. And the future leader in business, politics—or anywhere—is the one who thinks out his own plans and ideas, and puts them to the test, backed by his own will and enthusiasm.
Big is the man who listens patiently to any suggestion from those working with him—whether that one be a partner or an office boy.
Copyists have no ideas. Don't be one.
Tomorrow Mr. Adams will talk on the subject: "The Birds' Shower Bath"

Just Folks
YOU
What if another doesn't see
That shady little trick you do,
What if you gain the victory
And men award its prize to you
And think by skill you gained the crown,
There is one voice you cannot down—
One little voice inside your breast
That never gives you any rest.
What if the whole world you deceive
And take its glory and its self,
This thought must ever make you grieve—
You have no power to cheat yourself.
Though no one else knows how you won,
Or just what little trick was done,
And strangers praise you as you go,
Deep down within your breast, you know.
What if dishonor leaves no stain,
And all your friends shall think you fair,
If you have sold the truth for gain,
Think you that you shall cease to care?
The prize you hold will jeer at you:
"I mark the hour you were untrue!"
A constant witness from the shelf—
You fooled the world, but not yourself.

TOKYO (AP)—Japan counted 14 persons dead, at least 32 missing and 69 injured on the main island of Shikoku and Honshu today as Typhoon Della churned across the Japan Sea toward the northern-most main island of Hokkaido.

WEDNESBURY, England (AP)—Forty white women threatened to go on strike because their factory had promised jobs to six Jamaican girls.
Finally, after wrangling for hours with the factory management, the white women won Monday. The Negro girls were sent home with 7 shillings 6 pence —\$1.05—each for their time.

3rd Straight Big Bonanza Is Paid
CHARLES TOWN, W. Va.—Mrs. Eugene B. Casey's tough entry of Top Lass and Nirvy Miss head a field of eight in the mile and one-sixteenth Shannandoah Downs feature tonight. Top Lass was a beaten favorite in her last outing, and Nirvy Miss was scratched after being installed as an early favorite under conditions similar to tonight's feature.
Track officials are hoping the three straight large bonanza payoffs in a row will spur attendance for the rest of this week, the last before the racing doubleheader slated for Labor Day. Last night's pool payoff was \$8,719.20 and it came on top of \$17,018 Saturday and \$11,422 Friday.
A total of three \$2 bets have taken more than \$36,000 away from Shannandoah Downs in three nights. West Virginia officials point out that it is by far the largest mutual betting haul ever made in the mountain state. The field for tonight's feature also includes a pair of winners at the meeting, Lloyd M. Roadcap's Raccoon and Mrs. Feida H. Hilley's New Opportunity. Iolanthe, Duke O. Warwick, Flyway Flyer and High Jinks complete the field.

19 HORSES IN HAMBLETONIAN WORTH \$85,019
DU QUOIN, Ill. (AP) — Two Canadian-born drivers, Joe O'Brien and Ralph Baldwin, are making it difficult to handicap Wednesday's Hambletonian, the Kentucky Derby of trotting.
Their 3-year-old trotters are not among the leading favorites in the \$144,590 event, richest harness race in history, but their reputations as trainer and driver rank them as the most feared competitors seeking the record \$85,019 first prize.
O'Brien, 43, will have Blaze Hanover in the No. 1 post position in the 19-horse field and Baldwin, 44, will have Carlene Hanover in the 19th slot.
Blaze Is Enigma
Blaze is an enigma. He took 2-year-old trotter of the year honors in 1959 by setting a winning mark in the division of \$142,052, but the big chestnut son of Hoot Mon had never feet this season and failed to win in seven starts, breaking gait in four of them.
"I like Elaine Rodney very much, but I fear Blaze and O'Brien," said Lou Huber Jr., driver of the top-favored Uncle Sam. Backing of Uncle Sam grew Monday when a bruised right front foot completely healed.
Huber thinks there is so much speed in the field that a 1:59 mile heat will be trotted. O'Brien foresees the need of better than 1:59 to win, the Hambletonian record is 1:59 4-5 by Emily's Pride in 1958.

SAYS BASEBALL STANDINGS ARE "ALL WRONG"

By JEROME WEINSTEIN
Editor, State College Times
STATE COLLEGE, Pa. (AP)—Today's baseball standings are all wrong.
So says Dr. Michael R. Cannon, professor of chemical engineering at nearby Penn State and a sports fan.
Cannon's point is well taken, from a strictly technical standpoint, and, coincidentally, it has to do with the decimal point.
Cites Example
He took as an example the Aug. 24 standings as published in the newspapers. They showed Pittsburgh's national league-leading Pirates with 74 victories and 25 defeats for a percentage of .622.
"That's all wrong," Cannon asserts.
What it really means, he says, is that the Pirates fraction of victories is .622.
And what's the proper way to carry the standings?
"Just move that decimal point," the professor explains. "The simple truth is that Pittsburgh won 62.2 per cent of its games."
Does Cannon expect all the newspapers of the nation to change all their sports standings now?
"Frankly, no," he admits, "unless they all want to continue their boast of accuracy."
A simpler way, he suggests, would be to change the word "percentage" to "fraction" and let the decimal point stand where it is. For those who understand mathematics, here's Cannon's technical argument:
"The papers say Pittsburgh has won .622 per cent of 119 games. Mathematically, this means the Pirates have won a total of 119 times 0.00622 or 0.74 games and lost a total of 118.26 games. The last place Phillies (again, as of Aug. 24) are reported to have won 0.378 per cent of their games or a total win of 119 times 0.00378 which is 0.045 games. Therefore, in games won the Phillies are 0.29 games behind Pittsburgh."

36th Republicans Pick Candidate
BEDFORD, Pa. (AP) — Assemblyman Stanley G. Stroup of Bedford will be the Republican candidate for the state senate in the 36th District, embracing Somerset, Bedford and Fulton Counties.
Party leaders from the three counties picked Stroup at a meeting Saturday night. He won out 34-2 over W. John Stetler Jr. of Rockwood, Somerset County.
The Democrats have not yet selected a candidate to seek the seat of J. Irving Whalley, a Republican, who resigned from the state senate to run for Congress. The senate vacancy will be filled at a special election Nov. 8.
Stroup said he will resign soon as an assemblyman and promised to wage a vigorous campaign.

Rip Engle Begins Penn State Drills
UNIVERSITY PARK, Pa. (AP)—The whistle blows Thursday for Penn State football players—sounding the end of summer vacation and the start of practice for the 1960 season.
"I've asked the boys to return to campus in top physical condition because we'll have to move into rough work quickly," said Coach Rip Engle.
The gray-haired taskmaster, starting his 11th year as Penn State's head football coach, said Saturday he planned two-day-a-drill until the week before the Sept. 17 opener against Boston University.

15 FROSH TO JOIN JUNIATA GRID SQUAD
HUNTINGDON—Fifteen freshmen are expected to be among 50 candidates for Juniata College's football team when two-day-a-drill practice drills get under way here Thursday. Juniata meets Gettysburg College at Gettysburg on October 1.
Included in the group is Grey Berrier, Harrisburg, one of the stars of the Big 33 game earlier this month and brother of the famed twin combination, Bill and Jim.
Freshmen are expected to have "plenty of opportunity" to press the veterans for positions, Coach Ken Bunn has promised.
Juniata lost seven starters by graduation and at least six others will not be around when the season opens at Westminster September 24. Latest casualty was Dick Ott, Patton, Pa., three-year understudy to Bill Berrier at fullback, who landed on academic probation.
Freshmen invited to pre-season practice are: Pat Aippersbach, Verona; George Alzauer, Shore Acres, N. J.; Grey Berrier, Harrisburg; William Crowell, Patton; Kenneth Dumbauld, Alverton; Larry Griffith, Johnstown; Larry Landini, Sutersville; Thomas Mull, Haddonfield, N. J.
Peter Radasch, Roslyn Heights, N. Y.; Lynn Reigle, Newport; Garfield Royer, Waynesboro; Richard Santucci, Coraopolis; Harold Summers, Ephrata; Jeffrey Treese, Hollidaysburg, and Paul Vespaziani, Aliquippa.

Pirates Snap Losing Streak With Victory Over Dodgers; Cards Blank Braves; Phils Win

By JOE REICHLER
Associated Press Sports Writer

Pittsburgh was back on the pennant road today, headed for its first flag in 33 years, and Vern Law, its ace right-hander, was in position to become the first Pirate pitcher to win 25 games since Burleigh Grimes racked up that many victories in 1928.

Pittsburgh broke a four-game losing streak Monday night and Law posted his 19th triumph as the Pirates walloped Los Angeles 10-2. By winning, the Pirates maintained their 5½ game lead over St. Louis, a 3-0 victor against Milwaukee. Philadelphia blanked San Francisco 2-0. Cincinnati and Chicago were idle.

Law, 30, virtually a cinch to become the majors' first 20-game winner this year, permitted eight hits for his eighth straight victory and fifth over the Dodgers.

Homers Give Support
Catcher Hal Smith and Don Hoak supported Law's pitching with three-run homers. Hoak added a triple and drove in four runs. Law also chipped in with a home run.

Larry Jackson hurled the Cardinal shutout. He yielded just three hits and did not permit a Milwaukee batter to go beyond first base. The Redbirds managed just six hits off loser Joey Jay and Ron Piche and did not score until the seventh.

2-Hitter By Mahaffey
The victory, fourth straight for St. Louis, enabled the Cards to climb past the Braves into second place.

Rookie Art Mahaffey handcuffed the Giants with two singles as he registered his fourth victory without a defeat for the last-place Phillies. The 22-year-old right-hander, called up from Buffalo on July 20, retired the first 15 batters before Eddie Bressoud singled in the sixth.

Johnny Callison and Tony Taylor drove in the Philadelphia runs, off loser Mike McCormick.

WALES FIGHT ENDS IN RIOT

PORTHCAWL, Wales (AP)—Temper still were simmering today following a wild demonstration after European Heavyweight Champion Dick Richardson stopped Brian London to retain his title Monday night.

It took 20 policemen to untangle the milling mass of fighters, seconds and spectators wrestling on the ring floor in one of the wildest scenes in British boxing history.

London, former British champion who once fought Floyd Patterson for the world title, retired at the end of the eighth round with a cut eye which his trainer complained was caused by a butt.

While Referee Andrew Smyth argued with London in his corner, the fight started, with spectators, including London's father, leaping into the ring to join the battle.

When order was restored London said the brawl started when he tried to shake hands with Richardson.

"I was going over to shake hands when a little fellow said something to me and came at me," he explained. "I didn't mind Richardson having a go at me, but I'm not standing for the little fellow."

JOHN THOMAS MAY BE FORCED IN SECLUSION

By WILL GRIMSLEY
Associated Press Sports Writer

ROME (AP)—U.S. authorities said today they may be forced to put high-jumper John Thomas in hiding so that he can get some relaxation before his Olympic gold medal bid Thursday.

"This boy is undergoing literal torture," said Larry Snyder, head American track coach. "He can't eat. He can't sleep. He never has any privacy. He never gets any rest."

"People are crowding him all day long—going into his bedroom at the village, hanging over his elbows at the lunch table, mobbing him on the practice field."

Most Sought After
"He can't show his face without having a swarm of people pouring all over him—newspapermen, cameramen and fans. There's no doubt about it—he's the most sought-after athlete in the entire village. We can't help that. But we may have to get him out of here and into a hotel from somewhere so he can catch his breath."

"Thank goodness, he competes early," Thomas, 19, a mild-mannered Bostonian who has leaped a phenomenal 7 feet, 3½ inches, is beginning to show signs of cracking under the constant wear and tear.

Moisture In Eyes
The gangling 6-foot-5 Negro had moisture in his eyes when he tried to describe his tribulations in the canteen Monday night.

"When I go back to my quarters they're waiting for me in my room. When I go out the door, they rush up and start asking questions and taking pictures. I can't even train without having a lot of people around me."

Despite all these distractions, the Boston University student is training as well as any member of the U.S. squad. He is regularly clearing 6-10 to 7 feet in practice.

Terrific Pressure
"Six-ten may be good enough to win the gold medal," Thomas said. "There is terrific pressure in the Olympics and everybody is trying so hard and is so tense that you don't get the best performances."

"I just want that gold medal. I'm interested in winning, not in setting any records."

American Swimmers Seek More Olympic Gold Medals

By TED SMITS

ROME (AP)—America's swimmers and divers sought to triple their gold medal output today with three aquatic finals on the Olympic Game program.

But blocking their way was golden-haired Ingrid Kramer, the 17-year-old East German diver, who already has won the springboard event and led going into today's high diving competition.

She was in front by 1.60 points with Paula Jean Pope of Santa Ana, Calif., the favorite, second.

The United States—its only gold medal won Monday in men's springboard diving by Californian Gary Tobian—needed points badly in its heralded, unofficial battle with Russia for the team title. The Russians had 61 points, Italy and Germany 60 and the United States 40.

Like Tonight's Events
The best American bets for gold medals (and the 10 points that go with them) were in tonight's women's 100-meter butterfly final and men's 200-meter breaststroke windup.

Carolyn Schuler, 17-year-old schoolgirl from Orinda, Calif., smashed the Olympic record and led the qualifiers in the women's butterfly. Bill Mulliken of Champaign, Ill., raced in Olympic record time in both the preliminaries and semis to gain the men's breaststroke final.

Host Italy sought a sweep of the six cycling gold medals as favorite in the individual road race that began early this morning. Pieter Von Kreunigen of Holland held the early lead in the 108.6 mile race, the last and feature event of Olympic cycling.

Minute Of Silence
Before the start, a minute of silence was ordered by the jury to honor the late Danish cyclist, Kurt Enemark Jensen, who died in the killing heat in the team road event last Friday.

Swimming, soccer and cycling dominated the Olympic program Monday.

Tobian edged out teammate Sam Hall in the event he wasn't expected to win. His specialty is the upcoming platform diving.

Tobian's performance was shaded by Australia's Dawn Fraser, who won the 100 meter free style for the second time, the first woman ever to do so. She beat Chris Von Saltza, in a heralded rivalry, in 1:01.2, breaking her own Olympic mark of 1:02.4 and matching her own world record.

Two Records Broken
Two more Olympic records were shattered by the Americans in the aquatic events. Carolyn Schuler, 17, did the 100 meter butterfly in 1:09.8 in preliminary heat, bettering the 1956 record of 1:11.0 by America's Shelley Mann.

The United States' Bill Mulliken was clocked in 2:37.2 in winning his semifinal heat of the men's 200 meter breaststroke breaking his own mark of 2:38 set last Friday.

One world record fell. In the men's 800 meter free style relay preliminaries, Japan topped its own existing mark of 8:18.7 with a 8:17.1 performance. Australia is awaiting, however, certification of an 8:16.6 time turned in on Aug. 6. The Americans won the other heat of this event, putting Japan and the United States in direct challenge in the finals as the favorites.

In the water polo competition, defending champion Hungary led seven other teams into the semifinals. The Hungarians along with Yugoslavia, Holland, and the United States survived to form one bracket with Italy, Romania, Russia and Germany in the other.

Power-packed Brazil, along with Yugoslavia, Bulgaria, Denmark, Argentina, France and Hungary, charged through their opposition in the tightly contested soccer competition.

Publisher Picks Yankees In Olympic Track Events
(Editor's Note: The following article by Bert Nelson, publisher of the authoritative Track and Field News, is one of a series he has written for The Associated Press and forecasts Olympic winners in Wednesday's opening day of track and field.)

By BERT NELSON
ROME (AP)—Only one final, the shot put, is scheduled for the opening day of the Olympic track and field competition and my prediction is for a U.S. sweep.

The battle will be fiercely waged, just as it has been all year. Any of the three great Americans could win.

Parry O'Brien is after his third straight Olympic title and has a 1960 best of 63-5, an inch beyond his former world record. Bill Nieder, who placed only fourth in the U.S. trials, made the team when he threw a prodigious 65-10, the new world record, in the final pre-Olympic meet.

Nieder Is Picked
And Dallas Long, heir apparent to all records and titles, has been out to 64-6½ this year.

My pick is Nieder, with Long second and O'Brien third. Nieder is in such tremendous form that he can fall short of his best and still defeat O'Brien, the greatest of competitors but possessing less potential. Long is a greater threat to Nieder and easily could win it all.

For the remainder placed I pick Art Rowe, the English blacksmith; Silvano Meconi, one of the top athletes of host country Italy; and Alfred Soszornik of Poland, latest member of the once exclusive 60-foot club.

Runners in the 400 meter hurdles and 100 and 800 meter events will qualify into Thursday's semifinals. But the 5,000 meter men will move directly into the finals, which are scheduled for Friday.

20 Better 14 Minutes
These heats in the 5,000 meters will be great. More than 20 of the entrants have bettered 14 minutes.

Murray Halberg of New Zealand, Gordon Pirie and Frank Salvat of Great Britain, Hans Grodzki of Germany, Pyotr Bolotnikov of Russia, and Kazimierz Zimny of Poland should make the finals without excessive difficulties.

The United States, which is starting three of the four fastest men in its history, will do well to put one of the trio into the finals. Jim Beatty, who ran a world-leading 13:51.7 in early June, would be a medal threat but his

8 Teams Left In Basketball Meet
ROME (AP)—The United States and Brazil led eight teams into the semifinal round of the Olympic Basketball Tournament as a result of a three-day elimination round which ended early today.

Only the favored United States and Brazil were unbeaten with three victories each. Other qualifiers for the semifinals were Uruguay, Italy, Poland, Russia, Yugoslavia and Czechoslovakia.

Drawings for the semifinals were to be made late today by the International Basketball Federation. The first games will be played Thursday.

U. S. ATHLETES SCORE UPSETS IN TWO EVENTS

By TED SMITS

ROME (AP)—Russia ran all its unofficial Olympic team total to 71 points with a victory in the individual cycling road race today, but U.S. hopes were lifted by a showing of unexpected strength in two other events.

While Viktor Kapinitov of Russia captured the Soviet's fourth gold medal with a wheel victory over Italy's Livio Trappe in the last of six cycling finals, Americans were surprising in fencing and the finals of the men's individual foil competition with an upset of the defending champion, Christian d'Orliola of France, and two other victories in just 90 minutes of semifinal competition.

Beck Takes Lead
And Navy Lt. Bob Beck, 23, from San Diego, Calif., went to the front of the field in the modern pentathlon with a strong showing in 300-meter freestyle swimming, the fourth of the five events on the program.

He carried a 91-point lead into Wednesday's cross-country running final.

The Russian cycling gold medal prevented Italy from sweeping the cycling in which it had already won five firsts.

The semifinal draw of the Olympic basketball tournament was made today. It placed the United States and Russia, chief threat to an American gold medal, in the same half of the draw. They will meet in a showdown game Saturday night.

Mercury Hits 90
The temperature, already blamed for the death of a Danish cyclist last week, reached 90 degrees again today.

The Italian Olympic Committee awarded a gold medal posthumously to the cyclist, Knut Enemark Jensen, whose body was returned to Copenhagen today.

The Italian's second place in the road cycling gave them an unofficial 65 points, ahead of Germany's 60 and the United States' 40.

Jim Brewer In Hospital Again
CHICAGO (AP)—Chicago Cubs rookie pitcher Jim Brewer is undergoing further treatment of his right eye, which was injured in a pitcher's mound brawl with Billy Martin of the Cincinnati Reds.

Brewer, who was hospitalized 17 days after Martin punched him Aug. 4 in Wrigley Field, re-entered a Chicago hospital Monday.

Earlier he underwent surgery twice for two fractures of the right orbital bone, which runs beneath the eye. Cubs officials said the fractures have become infected, making further treatment necessary.

WIN LOOP TITLE
ST. Paul, Minn. (AP)—Two-hit pitching by 200-pound Tom Wolfe and a three-run spree in the third inning brought Huntington, W. Va. the national Babe Ruth League title Monday with a 3-0 victory over Charlotte, N.C.

Wolfe, a strapping 15-year-old with a good fastball, struck out six and was bothered in only one inning, the fifth when Charlotte left two men stranded.

GHS BOOSTER CLUB STARTS 1960 PROGRAM

Eight new directors were elected to the Gettysburg High School Booster Club at a meeting held Monday evening in the offices of Atty. Eugene Hartman.

Those chosen include Henry Krick, Jacob Britcher, Robert Hartman, Richard Finkboner, John Caldwell, Walter Lane, Edward Crist and Edwin Longenecker.

Holdover directors are Stover Small, president, who presided at the meeting, Robert Smith, secretary-treasurer, Henry T. Bream, Atty. Hartman, Robert Weaver, Harmon Furney, Mahlon P. Hartzell Jr. and Don Bream.

Plans were discussed for the sale of Booster Club tickets which will start next week.

Balance Is Low
The treasurer's report revealed a current balance of \$4.60.

It was decided to again place individual photos of squad players in windows of local business establishments. Larger photos will be presented to the football letter winners at the conclusion of the season.

Another meeting of all directors will be held next Tuesday evening at 8 o'clock at the VFW Home, E. Middle St., at which time officers will be elected and further plans made for the raising of funds.

The club was organized several years ago and has for its main purpose raising money to support the year-round athletic programs at the high school, including provision of transportation of athletes to their homes following practice sessions.

L-Town All-Stars Win 7th Straight
The Littlestown Little League All-Stars extended their unbeaten skein to seven with a well-played, well-earned 4-2 victory over a strong Emmitsburg All-Star aggregation Tuesday at Littlestown.

Littlestown jumped into a 2-0 lead in the third inning on the strength of Neal Leister's homer with Doug Basehoar on base by way of a free pass. Emmitsburg answered the same way in their turn at bat in the top of the fourth. Sherwin reached base by virtue of Louis Orndorff's only walk issued in the game. Then Rice, husky Maryland catcher, reached the fences to knot the count.

The free pass helped pave the way again for Emmitsburg's downfall in the fourth, as Peanut Stahley walked Don Crabbs and then Richie Harner cleaned the sacks with his four-bagger. Both teams played well with only one error being committed by each team. The game was reeled off in one hour and five minutes.

The fielding play of the game was Don Crabbs' one-handed stab to end the game on Skip Kelly's bid for an extra base.

The Littlestown stars will be out to keep their undefeated record intact as they battle the strong New Oxford Little League All-Stars Thursday at 6 p.m. on McSherry Field. In the first meeting of these two teams earlier at New Oxford, Littlestown came out on top 3 to 2 in 10 innings.

Score by Innings:
Emmitsburg — 000 200-2-3-1
Littlestown — 002 20x-4-5-1
Batteries: Emmitsburg — Sherwin, Stahley, (4th) and Rice; Littlestown—Orndorff and Leister.

Major League Stars
By THE ASSOCIATED PRESS
Batting — Jackie Brandt, Orioles, homered for Baltimore's first runs and added a single and double as the Orioles defeated the Chicago White Sox, 4-0.

Pitching—Larry Jackson, Cardinals, pitched a three-hit shutout and did not allow a runner to pass first base as the Cardinals whipped Milwaukee, 3-0.

First High School Football Casualty
KANSAS CITY (AP)—A 14-year-old high school football player died in a hospital Monday night after collapsing during afternoon football practice.

He was Ralph Kent Pope, a sophomore at suburban Shawnee-Mission East High School. His parents are Mr. and Mrs. Donald D. Pope, Overland Park, Kan. They have two other sons.

Hospital officials said an autopsy would be performed.

WAITRESS' BODY FOUND IN OLD WELL

HERRIN, Ill. (AP) — A pretty waitress kidnaped by a blond gunman from a lover's lane four days ago was found dead in a well at an abandoned farm house Sunday. She had been shot through the head.

The FBI, which took over the investigation from local authorities, apparently was without a major lead toward the identity of the killer.

The kidnaper fled with Mary Lily Ellen Roberts, 17, in a green and white car after seriously wounding her fiancé, John Bryant Jr., 20. The couple had been parked at a remote spot on Crab Orchard Lake in a wildlife refuge near Carbondale.

18 Miles Away

That was 18 miles southwest of the weed-choked farm where the body was found.

The FBI roped off the area, frequently used by picnickers, for a painstaking search for any articles the killer might have left. A spent cartridge and a blood-stained mattress found near the well were to be analyzed.

The body was brought out of the well in a wire basket after Police Chief Charles Edwards of nearby Marion, Ill., was lowered to the water level on a rope.

"Oh no, that's my Mary Lily," said Mary Lee Roberts, the mother.

Two Men Cleared

Two men were cleared in the kidnapping Sunday night after lengthy questioning. Both established alibis.

An autopsy disclosed that Miss Roberts had been shot in the head just above the left ear.

Bryant, a Carbondale barber, was shot through the face as he stepped from the car upon being accosted by a man he described as tall, blond and in his mid-20s.

PA. POULTRY QUEEN CHOSEN

HERSHEY, Pa. (AP) — A Columbia County girl has been selected as Pennsylvania's poultry queen.

Beverly Heath, a 20-year-old brunette from Benton R. 3, was chosen Saturday in a contest held at the 12th annual Dutch Days festival. She was crowned by Janet Williams of Catawissa, last year's queen.

The runner-up was Hope Elaine Paul, 18, of Leck Hill, Lebanon County.

The girls were selected on the basis of their 4-H club activities, poise, and their ability to collect, wash and grade eggs as well as prepare chickens for market.

Other contestants included Sue Bickler, 18, Palmyra; Karen Ann Fisher, 17, Schuylkill Haven; and Anna Wilson, 17, New Park, York County.

A law requiring that public schools be established in every town of 50 families or more was passed in 1647 in the Massachusetts Bay Colony.

Two Boys Drown In Storm Sewer

CAMDEN, Ark. (AP)—Two boys splashing in a rain-flooded street drowned when they were sucked down a storm sewer.

The body of Jodie Kilgore, 14, was found a quarter-mile away, where the 36-inch sewer pipe drains into a ditch. The body of Billy Alford, 15, was caught in the pipe a few feet from the drain where the Negro boys were dragged under by rushing water Monday.

REDS REBUKED FOR CAMPAIGN OF AGGRESSION

By STANFORD BRADSHAW
SAN JOSE, Costa Rica (AP)—The meeting of foreign ministers of the Organization of American States drew to a close Monday after condemning the campaign of the Soviet and Chinese Communists to use Cuba as a willing springboard into the Americas.

The conference by a 19-1 vote Sunday night also rejected a Cuban resolution calling on the United States to refrain from aggressive acts against Fidel Castro's regime.

When the ministers also turned down a Venezuelan proposal to water down the anti-Communist "declaration of San Jose." Foreign Minister Raul Roa and the rest of the Cuban delegation walked out of the conference and packed for home.

It was the second walkout of the two-week conference. The delegation from the Dominican Republic quit the meeting Aug. 20 after the other ministers found Generalissimo Rafael Trujillo's regime guilty of plotting to assassinate Venezuelan President Romulo Betancourt and voted political and economic sanctions against the Dominican Republic.

"Two dictators gone—one from the left, one from the right," one diplomat remarked after the Cuban walkout.

But he and others wondered about the effects on the 70-year-old inter-American system. Some felt the ministers' tough action would restore public faith in the system. Others feared it set an unhealthy precedent for the American family of republics.

INFORMATION CAN BE HELD BACK ONLY BY THE PRESIDENT

UNIVERSITY PARK, Pa. (AP)—Only the President can claim executive privilege to withhold information from Congress, the chief counsel of the House Government Information subcommittee said today.

It is "pernicious doctrine" for executive departments and agencies to claim such a right, added Jacob Scher, a lawyer and former newspaperman now on leave from Northwestern University.

He traced the legal and political history of the executive privilege claim in a speech prepared for a convention of journalism educators, and criticized use of it under the Eisenhower administration.

Invoked Periodically
The doctrine has been invoked periodically by presidents of all parties dating back to George Washington. But Scher said the claim has been used increasingly by the Eisenhower administration starting with the Army-McCarthy hearings in 1954.

Scher said there is no specific reference in the Constitution to an executive privilege of confidentiality. He acknowledged that separation of powers is related to the issue, but said only the courts can settle that constitutional question. He contended that withholding of information under claim of the privilege had grown sharply since Eisenhower's 1954 order.

"Thereafter it became a slogan

and a banner under which more and more federal departments and agencies asserted the right to withhold information from Congress and the people," he said.

"By the rules of reason and experience, there is little room for government secrecy in a democracy."

Dearborn Schools Can't Open; No Cash

DEARBORN, Mich. (AP) — A new \$3,000,000 Dearborn Township high school will not open in September because the school district lacks enough money to hire teachers and custodial help.

George McGuire, administrative assistant to Dearborn Township school district No. 8, said the new 43-classroom Hamilton J. Robichaud High School would not open because voters had turned down

Has Bulldozer Fenced In His Yard

ASHLAND, Ky. (AP) — Jack Simpson has a bulldozer trapped behind a few strands of barbed wire in his back yard.

It will stay there, Simpson says, until someone pays for damage he claims the machine caused while it was being used on a sewer project.

The bulldozer's owner, Ambrosius Industries, Inc., wants the city to provide rights-of-way so it can move the machine.

The city plans to seek an injunction to force Simpson to remove his barricade.

DR. ASLAN IS ACCUSTOMED TO BEING IN CONTROVERSY

By JOY MILLER
Associated Press Women's Editor
NEW YORK (AP)—An auburn-haired woman doctor from Romania is getting accustomed to being a controversial figure in international medical circles.

Ever since word of Dr. Anna Aslan's age-resisting experiments

with an H3 procaine formula began to filter through the Iron Curtain a few years back, she has been the center of heated dispute. Doctors in this country and England have said there is no real evidence that H3, which she has been injecting for 13 years, is any good at all as a rejuvenating drug.

Quotes Confucius

Dr. Aslan says: "It's very good I'm controversial because I would not have learned so much about my work if I had not had to discuss it with so many people. And as Confucius said: 'Nobody throws a stone at an apple tree without any apples.'"

"Besides, it makes me very happy to have done something others said was impossible."

With the air of a proud mother, Dr. Aslan produces snapshots of patients at the Institute of Geriatrics in Bucharest, of which she is director.

Headstand At 78

There's a hearty-looking fellow she says is 115. A man of 87, who she says was crippled with arthritis when he started on H3, is doing a headstand on a table in one picture; in another he's posing with his bride, 78.

Dr. Aslan is 63 and has been experimenting on herself with procaine for a decade. She looks an attractive, active 45.

"That's the only thing everyone is in accord on," she says, "that I look younger than my age." She is on her way back to Romania from San Francisco where she presented a paper on H3 at the fifth congress of the International Assn. of Gerontology.

Bad For Circulation

This is her first trip to America. She finds it "very interesting," but she shakes her head because "everything is so easy." And there are too many automobiles.

"I don't think it's good physiologically for people to lose their feet," she says. "It's bad for the arterial circulation not to walk more."

Her mother was a widow, and the young Anna put herself through medical school on scholarships and outside work. She became the first woman to practice internal medicine in Romania.

The western-most point of the United States is not in the new state of Hawaii, but in Alaska: Attu Island.

Dilworth Assails "Old Line" Nixon

CLARION, Pa. (AP)—Republican presidential candidate Richard M. Nixon "still represents the old-line, conservative, big-business Republicans despite his obvious efforts to sell the new Nixon," says the mayor of Philadelphia.

Richardson Dilworth, a Democrat, made the comment Monday night in a speech before a Democratic rally in the nearby community of Lucinda.

Dilworth said he thought the Republican party lacks spiritual leadership.

Sweden and Norway were united under the same ruler, Magnus VII, from 1319 to 1343.
